2009 Hawaii Healing Garden Festival

Maui Booth Information

Date & Time: Sunday, October 18, 2009, 9:30 am to 6:00 pm

Location: Maui Community College, 310 W Kaahumanu Ave. Kahului, HI 96732

Vendor Hours: Load-in 8:00-9:30am, Load-out 6:00-7:00pm

This is a Zero Waste event. We would like to request your assistance in keeping waste down to a minimum. Vendors using avoidable materials to sample and display products (i.e. non-recyclable plastic, Styrofoam, or other true waste materials) will forfeit their deposit.

In order to reach as close to zero waste as possible, it is necessary to be aware of resource stream diversion. We will have 3 bins for used resources: 1) Compost, 2) Recycling, 3) True Waste. The following are recyclable: Cardboard (must be broken down and not be soiled), Vegetable oil (if you will be using any vegetable oil – please let host know ASAP to arrange for pickup afterwards), Plastics (only 1s and 2s can be recycled, caps must be removed from all bottles first), Aluminum cans (NOT tin), and Glass. Alternative biodegradable and compostable products are available from Styrophobia <http://styrophobia.com>. Mention the Hawaii Healing Garden Festival for your vendor discount.

Booths: Booth locations are assigned per our discretion. Massage & healing work booths are grouped in the quietest spaces to provide maximum ambience. We will try to accommodate special requests, but priority booth spaces (corner areas, high traffic zones) are given to early registrants and Hawaii Health Guide members when possible. Inside booth space is approx 8'x6'. Tables are approx 2'x6'. Outside vendors are required to bring your own tents, stakes, tables & chairs etc.

Food Booths: Please list type of food being served and equipment being used and any special needs. There are limited number of food booths available; please contact us for more details. Food vendors are required to use biodegradable or compostable materials, and are encouraged to source organically whenever possible. Food vendors must have food permits.

Plant Booths: Please list type of plants and amount of space needed.

Power: Limited electric power is available. Please register early and indicate your specific power needs.

Banners & Space dividers: You are welcome to bring signage, props, screens, massage tables, etc., so long as everything fits within your allotted space and does not block other vendors' views or ability to be seen by participants. If you have large banners, you'll need to bring your own stands to hang them.

Restrictions: Booth sharing is not allowed, unless the businesses are clearly compatible. (For instance, two acupuncturists working out of the same clinic could share booth space, but an acupuncturist and an artist could not.) Please call to get approval if you have a request to share booth space.

Arrival & Departure Time: Please arrive by 8:00 AM to set up your booth area. The opening ceremony will be at 9:30 AM, and we'd like everyone to be able to attend. Booth breakdown is from 6:00-7:00 PM. Evening entertainment will be from 5:00-7:00 PM.

Food: You are responsible for your own food & beverages during the event. Several wonderful food vendors will be providing various food throughout the day.

Silent Auction/Raffle Items: We will be holding a silent auction and/or raffle to benefit the Hawaii Health Guide Scholarship fund, and we welcome your donations of items, gift certificates, etc. It is an opportunity to have your business name and a few promotional words announced in front of the crowds gathered for the lectures & entertainment. The raffle coordinator will contact you at the beginning of the day to collect your items.

Cleanup & Survey Deposit: \$50 deposit is refundable when your booth space has been cleaned and cleared, and your short survey form is completed and turned in to the main event booth.

Liability: Hawaii Health Guide and the Hawaii Healing Garden is not liable for any theft or damage to your personal effects or business display or supplies.
